

ERIE COUNTY CARE FACILITY

Bradley T. Storer, Administrator

"Care that Counts"

The Erie County Care Facility Administrator directs the day-to-day functions of the 130-bed long-term care facility in accordance with current federal, State and local standards, guidelines and regulations that govern long-term care facilities to assure that the highest degree of quality care is provided to all Care Facility residents at all times. The Care Facility Administrator reports to the County Administrator.

**Erie County Care Facility
3916 Perkins Avenue
Huron, OH 44839**

The Erie County Care Facility provides both skilled and intermediate level services. Available resident services include 24-hour professional nursing services, nutritional evaluation and meal planning, social services and family support, physician and pharmaceutical services. Physical, occupational, speech, and psychological therapy services are also available.

In 2011, total census days were 38,553. Privately funded residents represented 15% of those days, while 70% were Medicaid, 9% Hospice, 5% Medicare, and 1% Commercial Insurance.

Total revenues for the facility in 2011 were \$6,191,975. Facility reserve balances totaled \$95,966 for 2011 year end. The Facility continues to rehabilitate and return to home nearly 50% of all new admissions. ECCF renovated our 18 bed Private Hospice unit. Finalized the sale of 30 beds at \$18,500 per bed. Renovation of our Third Cluster to include Private short-term Rehab rooms.

The Erie County Care Facility is certified for both Medicare and Medicaid
