

ERIE COUNTY SHERIFF'S OFFICE POLICIES AND PROCEDURES

10.01 DISABILITY SEPARATION

PAGE 1 OF 1

**10.01 DISABILITY SEPARATION**

If an employee becomes physically or mentally incapacitated and is unable to perform the employee's duties, the employee may apply for a disability separation. The Sheriff will give appropriate consideration to any such request for disability separation.

If the Sheriff desires to grant a disability separation, the Sheriff may require an examination to be conducted by a licensed physician certifying the employees need for separation.
