EFFECTIVE DATE:	A.S.A.P.	SALARY:	\$15.11/hr.; \$15.71/hr. after probation Plus shift differential if applicable

DESCRIPTION OF THE JOB:

Under direct supervision, is responsible for performing elementary nursing care of residents. Perform other related duties as required.

Essential Functions to be Performed:

- Assist Charge Nurse in providing care to residents.
- Performs and /or assist the patient in the performance of routine self-care such as bathing daily, shampooing, grooming, cleansing and cutting nails, oral care three times daily, and dressing.
- Prepare patients for treatment and assist with treatment: perform elementary medical functions such as taking temperatures, pulse, respirations, blood pressure, weighting patients. Taking care of catheters and doing simple tests: recording routine data for charting such as fluid intake and output, stool and voiding as directed.
- Perform general light cleaning and tidying of patients' rooms; has total responsibility for cleanliness of bed and changing of sheets and linens; puts things away; cleans wheelchairs and other equipment used by patients.
- Transport non-ambulatory patients; turn and position patients as directed.
- Feed patients who cannot feed themselves; supervise the food intake of all patients.
- Communicate with patients to establish and maintain friendly and relaxed atmosphere; encourage and support patients in acquiring basic skills for independent functioning, such as bowel and bladder training; refer questions from outside others pertaining to patient care to Charge Nurse; confer with medical personnel, client's family or friends, or supervisor to determine client's plan of care.
- Perform back care twice daily and as needed.
- Observe and report signs of injury or illness; follow safety procedures and observe patients to prevent self-injury to others; monitor vital signs and statistics; note any mental or physical changes in patient's condition and report to higher authority; report needed repairs or replacement of equipment to supervisor.
- Sterilized various types of medical equipment: cut and sterilize materials for dressings and deliver supplies and equipment.
- May be required to maintain statistical records or simple medical information check-off system as legally mandated.
- May be required to assist in emergency first aid with specific instructions.
- Attend in-service and staff meeting.
- Monitor dining room at meal times.
- Perform other related duties as required.

Minimum Qualifications:

- Completion of the twelfth school grade or GED.
- Knowledge of public relations.
- Ability to read and write.
- Ability to understand and carry out written and oral instructions.
- Ability to lift patients with assistance.
- Ability to tolerate a working environment that includes daily contact with physically and mentally disabled.

Minimum Qualifications: (continued)

- Ability to maintain a sympathetic attitude towards patients.
- Ability to learn to perform routine nursing procedures.
- Ability to keep information confidential.
- Ability to develop and maintain effective working relationships with associates, supervisors, residents, and the general public.
- Satisfactorily passing of physical examination and tuberculosis testing to be updated as necessary in accordance to the needs of the facility.
- Skill in oral and written communication.
- Valid driver's license with an acceptable driving record

Qualifications Desirable of Employment:

Any combination of training and work experience which indicates possession of the skills, knowledge, and abilities listed above. An example of an acceptable qualification for this position is:

- Satisfactorily passing of physical examination and tuberculosis testing to be updated as necessary according to the needs of the facility.
- Erie County residents preferred.

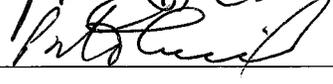

Physical Requirements:

- Alternate frequently between sitting/standing/walking throughout an eight (8) hour workday.
- Lift/carry a minimum of fifty (50) pounds.
- Reaching with bilateral upper extremities into/up to/down to various heights.
- Push/pull with twenty (20) pounds of initial force.
- Climb onto stepladder (2 steps).
- Bend/squat/crouch/kneel.
