Supporting Documentation

Airport Runway Clear Zones and Clear Zone Notification

Coastal Barrier Resources Act

Flood Disaster Protection Act

The project involves funds for financial assistance to separate shelter guests to follow COVID-19 social distancing procedures as described in the project description. It is not anticipated that there would be any sale or acquisition of property as it is not an eligible activity. Also there will not be any projects occurring with the coastal barrier resource area or involve acquisition, construction or rehabilitation of structures in a floodway since they also are not eligible. If any acquisition, construction or rehabilitation would occur using the funds the shelter must coordinate with Erie County to ensure that these procedures are followed.
