REQUIRED LANGUAGE FOR DEVIATIONS FOR CHILD SUPPORT PURPOSES

The Court finds that the amount of child support payable by the obligor in this case, pursuant to the Ohio Child Support Computation, is _____ per month, per child, for _____ child(ren), for a total of _____ per month, plus processing fee. The Court, after considering the facts and criteria set for under O.R.C. Section _____ (insert O.R.C. Section 3119.23 or 3119.24), finds that the amount of child support calculated pursuant to the child support schedule of O.R.C. Section 3119.021, would be unjust or inappropriate and not in the best interest of the child(ren). The Court finds that a deviation is warranted in this case pursuant to O.R.C. Section _____ (insert appropriate subsection of O.R.C. Section 3119.23 or 3119.24) for the following reason(s):

_____

_____

The parties agree and represent to the Court that the aforementioned deviation factor(s) and/or criteria have a total monetary value of _____ per month, which amount the parties request be adopted by the Court for purposes of computing a deviation from Computation child support. Based upon the agreement and representation of the parties, and upon further consideration of all relevant factors set forth under O.R.C. Section _____ (insert O.R.C. Section 3119.23 or 3119.24), the Court finds that a deviation from the child support Computation is warranted, as set forth above.

(Continue with Mandatory Language from Form 17.00 if the obligor will actually pay child or spousal support – the language on Form 17.00 is not required if no child or spousal support will be paid).
