

PRESS RELEASE

The Erie County Commissioners have scheduled a public hearing regarding the Wheatsborough Solar Project Payment In Lieu Of Taxes (PILOT). The meeting will be held at 10:00 a.m. on Wednesday, March 17, 2021, at the Erie County Services Center, 2900 Columbus Avenue, Third Floor Commission Chamber.

This public hearing can be attended in-person, through zoom, or residents can send in their comments via email to voice their questions and concerns about the PILOT. Please note, the Erie County Commissioners do not have any bearing on whether the proposed project is approved, only the approval of the PILOT. Please contact Clerk of the Board, Erin Paolano, at 419-627-7672 or by email at epaolano@eriecounty.oh.gov to receive the zoom credentials or to voice comments. If attending in-person, please adhere to social distancing and face mask protocols.

In the event of a large public turnout, the public hearing will relocate to the main building at the Erie County Fairgrounds, 3110 Columbus Avenue to ensure enough space for everyone to social distance.

Peter S. Daniel
Erie County Administrator
