*If a transcript is to be prepared and included in the record on appeal, counsel for appellant must have the court reporter complete the certification below before filing this praecipe. If the court reporter indicates that it will take longer than 20/40 days to prepare the transcript, you are not relieved of the obligation to file a motion for extension of time to file the record. If the transcript has already been prepared and filed, appellant shall sign the statement under the court reporter's certification.

TO THE COURT REPORTER:

Please complete this certification with your best estimates of the length of the transcript and time you will need to prepare it. If the transcript is not prepared within the time limit for filing the record on appeal, the record will be filed without the transcript unless an extension of time is obtained by the party. Your statement that it will take longer than 20/40 days to prepare the transcript does not relieve you of the obligation to contact the party to file a motion for an extension of time to file the record.
