

WATER
SERVICE CONNECTION PERMIT APPLICATION FOR
SINGLE-FAMILY/DUPLEX RESIDENTIAL
MULTI-FAMILY/RESIDENTIAL
INSTITUTIONAL, COMMERCIAL, INDUSTRIAL
NON-SEWER DISCHARGE CONNECTION

Prior to connecting a water service to an Erie County water line, a new customer needs to apply for and receive a WATER SERVICE CONNECTION PERMIT. Please complete the attached application. **THE FOLLOWING STEPS SHOULD BE TAKEN TO APPLY FOR A PERMIT:**

1. There must be a water main owned by Erie County available for public use at the service address.
2. PLEASE PLAN AHEAD. Water taps may be delayed due to water capacity problems, potential pretreatment issues, inclement weather or governmental agreement.
3. **FURNISH DETAIL DRAWINGS:** Any commercial, industrial or institutional property owner who is applying for a new water service or revisions to existing water service, prior to water piping improvements are installed, shall submit one (1) set of detailed drawings (including plan and profile, proposed and existing topography and all buried utilities) prepared by a licensed State of Ohio Professional Engineer for approval, along with specifications of all proposed water lines on 24"x36" sheets and in PDF format for plan approval.
4. No improvements shall begin until the County Sanitary Engineer has approved the drawings for construction.
5. No permit for connection will be issued until the County Sanitary Engineer has approved the drawings for construction and improvements have been inspected.
6. ALL QUESTIONS on the attached application **MUST BE COMPLETED.**
7. APPLICATIONS **WILL NOT BE PROCESSED** until construction improvements have been completed.
8. **CONTRACTOR INSTALLING SERVICE LINE MUST BE REGISTERED** with D.O.E.S. Administration Division Office prior to the processing of this application.
9. You must **CALL THE WATER DIVISION FOR LOCATION OF SERVICE LINE.**
10. Drop off the application or mail it to:

ERIE COUNTY	
DEPARTMENT OF ENVIRONMENTAL SERVICES	
554 River Road, Huron, OH 44839	
Office: (419) 433-7303	Fax: (419) 433-6214
11. The application will be reviewed and an invoice mailed within ten (10) working days from project acceptance and receipt of application.
12. **THE PERMIT WILL BE ISSUED UPON PAYMENT OF APPLICABLE FEES. PERMITS MUST BE ON-SITE DURING CONSTRUCTION.**
13. **CALL ERIE COUNTY WATER DIVISION TO SCHEDULE TAP. (THERE COULD BE UP TO A 4-6 WEEK WAITING PERIOD.)**
14. **FURNISH RECORD CONSTRUCTION DRAWING:** Upon completion of water piping construction improvements by any commercial, industrial or institutional property owner, the Owner shall provide an electronic detail Record Drawing of the piping improvements, showing any and all changes that took place during construction that differ from the approved detail drawing. The electronic drawing shall be in pdf format and suitable for printing on either 24"x36" or 11"x17" paper and shall be labeled on each page RECORD DRAWING and dated and signed by the preparer.
15. You can view the Rules for the Maintenance, Protection, Use and Operation of the Erie County Water Distribution System by going to Erie County's website at www.eriecounty.oh.gov/does.

WATER SERVICE CONNECTION PERMIT APPLICATION

8C. COMPLETE THIS BOX ONLY IF APPLYING FOR INSTITUTIONAL, COMMERCIAL, INDUSTRIAL SERVICE (continued):

TYPE OF PREMISES TO BE CONNECTED TO WATER MAIN (check one):

- d. Will building(s) require a system for fire protection? Yes No
- d. Fire line size: _____
- f. Engineer's estimated average water usage: _____ gpd

NOTE: Applicants requesting water service to Institutional, commercial or Industrial property must furnish information required under Rule 1, Section 3 and Rule 30, Sections 1, 2 and 3 of the Rules. No permit for a connection to the Water Distribution System will be issued until the requirements of said Rules have been compiled with.

8D. COMPLETE THIS BOX ONLY IF APPLYING FOR NON-SEWER DISCHARGE SERVICE CONNECTION PERMIT FOR IRRIGATION:

a. Select the designated Service Size x Meter Size below by circling one of the options listed.

Service Size x Meter Size	3/4" x 5/8"	1" x 3/4"	1" x 1"	1 1/2" x 1 1/2"	2" x 2"
---------------------------	-------------	-----------	---------	-----------------	---------

The County shall install tap, meter crock (if needed) and meter assembly and service line to the meter. The charge for connection of a Non-Sewer Discharge Service to connect directly to a County water main shall be subject to the Installation Fees described in Rule 3, Section 2, B.4, plus the process and conveyance fees described above in this Rule.

b. WILL THE PREMISES FOR THIS TAP BE UTILIZED FOR A PERMANENT EXTERIOR UNDERGROUND IRRIGATION SYSTEM? YES NO

- 1. If yes, your Registered Contractor will be **required to install an ASSE 1020 pressure vacuum breaker.**
- 2. If no, what will the service be used for? Explain:

3. If installing a yard hydrant, it is **required to install an ASSE 1057 sanitary yard hydrant.**

c. ARE THE PREMISES TO BE SERVED BY THIS TAP PRESENTLY SUPPLIED BY WATER FROM A WELL OR CISTERN? YES NO If yes, indicate future status of well or cistern:

- 1. To be abandoned (For proper abandonment procedures, contact the Erie County Health Department at (419) 626-5623.)
- 2. Continue to use for non-potable purposes
- 3. Other use (please explain): _____

NOTE: Rule 29 of the Rules prohibits connections between the District Water Supply System and any private, auxiliary or emergency water supply system, unless the method of connection and the use of such supply shall have been approved by the Ohio Environmental Protection Agency.

9. **INSTALLMENT PAYMENT OPTION:** Connection/Permit Fees which total in excess of \$1,500.00 may be paid in installments over a five (5) year period. 20% down is required prior to the permit being issued. This option will include 60 monthly installment payments based on the Star Ohio Interest Rate, plus 2% given to the County Treasurer on its investments from the previous month. (See Rule 3 – Connection/Permit Fees, Section 4 of the Rules for the Maintenance, Protection, Use and Operation of the Erie County Water Distribution System.)

- YES, I am interested in applying for the Installment Payment option.
- NO, I will pay 100% of the amount owed before the Service Connection Permit is issued.

WATER SERVICE CONNECTION PERMIT APPLICATION

10. Please select a Contractor from the current registered "INSTALLING SERVICE LINE CONTRACTORS" list or from the current registered "BACKFLOW TESTER/INSTALLING SERVICE LINE CONTRACTOR" list. You should call the Contractor prior to completing this application to ensure they are available to install your line as Erie County's Registered Contractors receive a monthly notice of Tap Applications submitted using their name as the Registered Contractor.

(Contractors must be registered with the Erie County Department of Environmental Services in accordance with the requirements set forth in Rule 34-Section 1: Any Contractor who constructs, installs, improves or modifies County water lines or private service connections which are ultimately connected to a County water main must be registered annually with the Department of Environmental Services in the same year and prior to such tasks being performed. **APPLICATION FOR A SERVICE CONNECTION WILL NOT BE PROCESSED UNTIL THIS REQUIREMENT HAS BEEN COMPLETED.**)
